

CARTUM STUDIO

63 U.S. NATIONAL PARK

A cohesive illustration series built as a licensing-ready visual system — designed to feel instantly recognizable to park visitors and local audiences.

- Recognizable park identities (iconic scenes and signature landmarks) — composed inside real park outlines (or iconic map fragments)
- Consistent series style across all parks
- Production-ready file delivery for publishing, wall art, and merchandise

Full collection, regional subsets, and custom bundles available on request.

PRIVATE PREVIEW

B2B licensing review only. Full series is shared directly and is not publicly listed on marketplaces.

PRODUCTION / LICENSING SPECS

Deliverables: AI (vector) + reference PDF + linked raster assets

Packaging: .ai + /links folder + reference PDF

Raster exports: 300 dpi

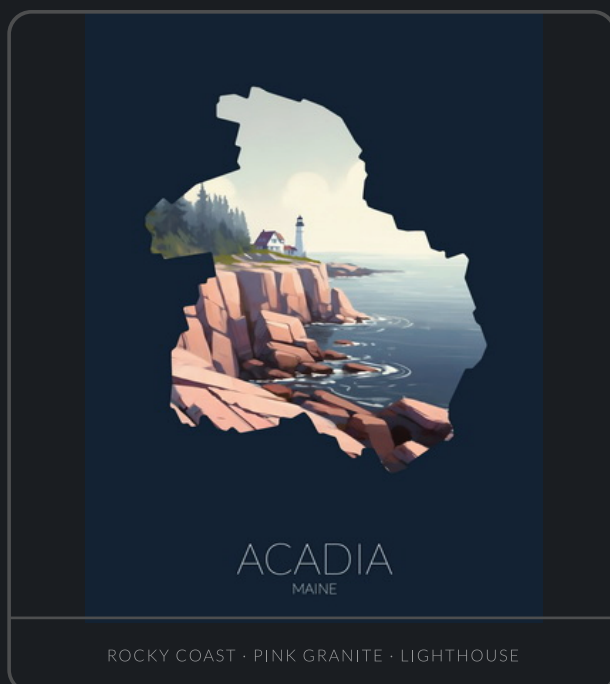

Typical format: 24×36 in (5400×7200 px)

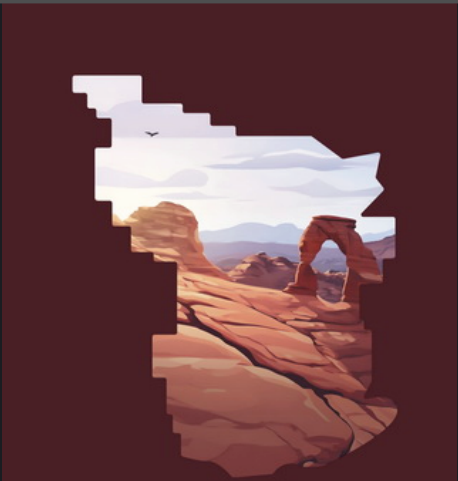

Color workflow: RGB masters / CMYK adaptation on request

Licensing: full set, subsets, and custom bundles available

Contact: licensing@cartum.studio
